

A BRAVE LOOK

2017

We look back. We look ahead. We see the brave and we choose it. We think about it and we discuss it, because brave is always contagious.

Looking Back

1. What is the bravest thing you did last year?
2. What scared you?
3. What grew you?
4. What surprised you?
5. What worked and what didn't?

Looking Ahead

1. What excites you?
2. What are 3 new things you'd like to try this year?
3. Where are you pursuing faithfulness?
4. What will you say yes to?
5. What will you say no to?

How will you be accountable?
